

## The Morah Miriam Bhat Yehudah “Teacher & Innovator of Academics & Family Development Scholarship”

B’nai Binah proudly introduces The Morah Miriam Bhat Yehudah “Teacher & Innovator of Academics & Family Development Scholarship,” dedicated to educators, mentors, and academic visionaries who have transformed the fields of education, family development, and community learning.

This scholarship honors the legacy of Morah Miriam Bhat Yehudah, a beacon of knowledge, wisdom, and family-centered learning. It is designed for those who go beyond traditional teaching methods, integrating academic excellence with the holistic development of students, families, and communities.

### Scholarship Overview

The Teacher & Innovator of Academics & Family Development Scholarship seeks to recognize and support individuals who:

- ✓ Advance innovative teaching methods that enhance learning experiences across all levels of education.
- ✓ Develop family-centered academic programs that bridge the gap between education and home life.
- ✓ Create and implement community education initiatives that promote literacy, cultural preservation, and intergenerational learning.
- ✓ Mentor students and educators to become leaders in education and family development.
- ✓ Design research, projects, or curricula that contribute to academic growth and sustainable education models.

### Who Can Apply?

This scholarship is open to:

- Teachers, professors, and educators at all levels
- Homeschooling advocates and family education leaders
- Academic researchers and curriculum developers
- Innovators in education technology and community learning programs
- Mentors who support the academic and personal development of students and families

### Scholarship Benefits

Recipients of this scholarship will receive:

- Financial support for their academic research, community programs, or professional development

- Mentorship opportunities with leading educators and innovators
- Resources to enhance curriculum development and teaching strategies
- Recognition at the B'nai Bimah Annual Education & Innovation Banquet
- Opportunities for partnerships with educational institutions, research centers, and community organizations

### Annual Theme & Showcase

Each year, the scholarship will highlight a theme focused on improving education and family development. The first annual theme is:

“Building Sustainable Education Models for Future Generations.”

Awardees will present their work at a special Education & Innovation Showcase hosted by B'nai Bimah.

### How to Apply

Interested applicants can submit:

- ✓ A proposal or research summary (up to 1,500 words)
- ✓ A resume/CV detailing academic and professional achievements
- ✓ A letter of recommendation from a mentor, professor, or community leader
- ✓ A short video or written essay explaining their vision for education and family development

Application Deadline: TBA
